

RETIRED MINISTER'S HOUSING ALLOWANCE DECLARATION

I am hereby informed that under Internal Revenue Code Section 107, in the case of a minister of the Gospel, gross income does not include the housing allowance paid to the minister as part of the minister's compensation to the extent it is used to rent or provide a home. The responsibility for determining the appropriate amount of housing allowance that can be excluded is the minister's. The church has no responsibility beyond determining that the compensation is reasonable. This eligible amount in any individual case may not exceed the fair rental value of the minister's home (including furnishings) plus the cost of utilities. As a retired minister receiving a retirement benefit from The Free Methodist Church of North America I want to declare my housing allowance as follows:

_____ I declare my total retirement benefits as housing allowance.

_____ I do not declare my total amount of retirement benefits as housing allowance. I want to declare \$ _____ (please state the exact dollar amount).

This total amount is a combination of both Pension Plans (Defined Contribution Plan and Defined Benefit Plan) if you are receiving retirement benefits from both plans (two monthly checks).
