

Our vision is to see a movement of God where people are being transformed by the extravagant love of Jesus, living in community, multiplying leaders, and sharing the good news of Jesus across the street and around the world.

Corralitos Community Church (CCC) is located in Corralitos, CA, about 75 miles south of San Francisco on the coast of California. We currently have two pastors on staff: Pastor Theo Myer who is our Lead Pastor, and Pastor Gayleen Myer who is our Community Pastor. Both have been on staff for just over two years. We have about 110 people at our Sunday services, and have been growing over the last year, especially with younger families.

Our church family is looking for another full-time pastor, or a couple that can split up the job responsibilities between the two of them. Ideally an applicant would have skills to support three ministries: Communications Manager, Teen Leader, and Worship Leader. However, we would also consider someone who can excel in two out of the three areas (e.g. Teen Leader and Communications Manager fits well, but no music background).

We have a beautiful four-bedroom three-bath parsonage with a large yard and garden area. It has been recently remodeled. In addition to the parsonage and utilities, we also pay a salary and benefits.

We are looking for a person who is deeply committed to God, willing to learn from a team, and able to determine the steps needed to achieve a vision with creativity and excellence. You will find a church family that is loving, generous, and ready to reach our community with the good news of Jesus.
