

## **Clay City Indiana**

We are seeking a senior pastor for a small town church near the Wabash Park Camping and Retreat Center. Clay City FMC is a small church in a town of 850. The church is within two miles of the Conference campground. There has historically been a strong connection between the church and the camping ministries. We are seeking a part time pastor who understands small town life. A passion for camping ministries would be a plus. Parsonage is provided.
