

Lead Pastor

The Springs Church – Cedar Springs, Michigan

The Springs is a family-oriented, mission-driven (Micah 6:8) Free Methodist church that values intergenerational ministry, involvement in the local community, and growing the people within their walls to reach the community. We are exploring church planting possibilities. The average attendance of the church is 213, with 123 members, adding twelve just lately. We value our Children & Youth Ministries just as we do our Adult Ministry. The church is led by a very strong and unified staff consisting of an Associate Pastor, Worship Arts Pastor, Children's Ministry Director, Office Manager, and Facilities Manager.

Location:

The Springs is part of the North Michigan Conference and is near many lakes (one hour to Lake Michigan), rivers, camping, and recreational opportunities. Cedar Springs is half an hour from Grand Rapids, an area that provides opportunities to enjoy city life, such as concerts, festivals, theater, and convention hall events/shows.

What we are looking for:

The Springs, established in 1876, has a strong foundation and is excited about continuing to find fresh and innovative approaches to ministry. We are currently seeking a Lead Pastor who *has* a shepherd's heart and attitude, who *exhibits* transparency and integrity, and who is *open* to and *led by* the Holy Spirit – a Pastor who champions the strengths and gifts of those around them and has strong administrative, organizational, and leadership skills with a value around processes and systems while allowing flexibility and creativity.

Compensation:

Salary of \$52,000.00 to \$59,000.00, depending on experience and education, plus a benefits package.
