

Renovation Church
Portage, MI

Position: Lead Pastor

We are looking for a visionary leader to lead Renovation Church, a dynamic church in Portage, MI on mission to help people find, follow and be like Jesus. Portage is a city of 50,000 people in Southwest Michigan, forty miles from Lake Michigan. It is the smaller of the two main cities in the Kalamazoo-Portage metropolitan area which has a population of over 300,000.

Portage/Kalamazoo is a diverse and growing area, with a median resident age of 38. The area is home to Pfizer, Stryker and Western Michigan University, which provide thousands of jobs in the community. The church reaches a cross-section of people from urban, suburban and rural settings. This opportunity comes with a great ministry facility in a highly visible location, an experienced ministry staff, a growing online ministry engaging people across the country, a competitive salary with benefits, and a congregation of gifted and committed people enthusiastic about fresh and innovative approaches to ministry.

We are preferably looking for leaders with previous Lead Pastor experience in a multi-staff setting and from a Wesleyan/Holiness background.
