

SENIOR PASTOR
CEDARCREST FREE METHODIST CHURCH
OF BLOOMINGTON, MINNESOTA

A part-time pastor is being sought for the Cedarcrest Free Methodist Church of Bloomington, Minnesota. This congregation has an average attendance of 30 for their blended-style worship service – worshipping in a sanctuary that seats 150. This congregation has been involved in extensive ministry to the needy in the Minneapolis-St. Paul Metro area.

Bloomington (located in Hennepin County) is the fifth largest city in the state of Minnesota. It lies 10 miles south of downtown Minneapolis, and has a population of about 85,000, and is serviced by two major freeways, Interstate 35W and Interstate 494. Bloomington has more jobs per capita than either Minneapolis or Saint Paul, due to the United States' largest enclosed shopping center, the Mall of America, and the only IKEA in Minnesota.

A caring pastor who can provide practical and insightful Biblical messages, who can equip individuals for ministry, and who is able to reach out to new families is being sought. Ability to lead worship would be a plus. A part-time salary is provided for the pastor.

To apply, send your resume and the completed application to Supt. Carl Brannon at SuptCarl@nccfmc.org.
