

Church Profile

At Spring Arbor Free Methodist, we are people becoming rooted together in Jesus and bringing abundant life in our community. We are a historic church experiencing revitalization as we pursue strengthening our relational connection with one another and our community and helping everyone grow in a transformational relationship with God. The mission of the church speaks to its passion to be a community-focused body reaching lost people for Christ. We are motivated by our core values of being Spirit-moved, truth inspired, kingdom minded, joy-filled, and seeing everyone valued. We have both modern and traditional worship experiences on Sunday mornings that reach people in person, on-line via Facebook and YouTube, and on the radio.
