

## **Stone Haven Free Methodist Church - Troy, MI - Lead Pastor/Church Planter**

The SMC is looking for emerging and proven leaders *who desire to join us* in our shared mission of multiplying disciples, leaders, and churches and in the pursuit of our vision of reaching the 6 million people far from God throughout our conference boundaries. Our diverse network of 40 church expressions ranges from small, medium, and large churches located in rural, suburban, and urban settings.

We are currently looking for a visionary leader to relaunch a dynamic church in the northern suburbs of Detroit. The diverse and affluent city of Troy has a population just under 85,000 people, with over 220,000 people within a 5-mile radius. This opportunity comes with a great (and debt-free) facility in highly visible location, competitive salary and benefits, and a core group of people ready for fresh and innovative approaches to ministry. Previous church planting and/or turnaround success is preferred. We will provide assessment, coaching, training, and administrative support as needed.

If you're interested in this position and would like to inquire further please complete a short 2-minute questionnaire
